TURNKEY SOLUTION

Offering jointly by Bangladesh & Sri Lanka
Based Company Global Cynax and
Softlogic

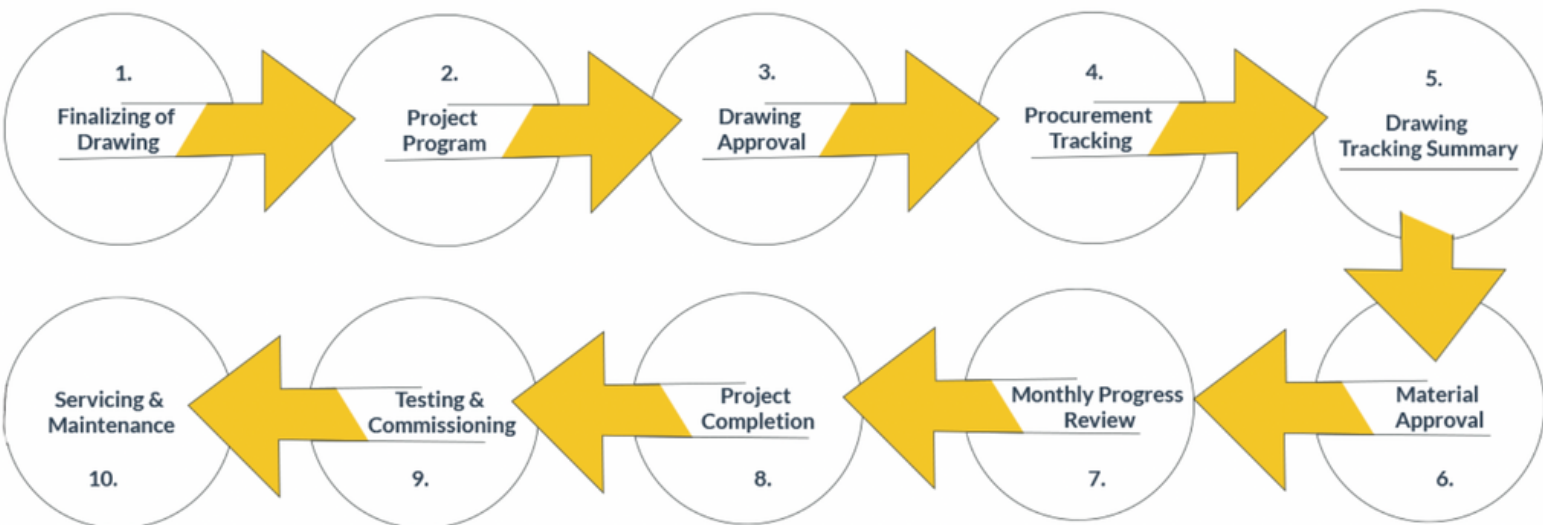

ABOUT US

Global Cynax & Sri Lanka based Softlogic is a joint venture consortium in Bangladesh offering Turnkey HVAC Solution since 2022. Softlogic successfully completed a lot of central air conditioning projects in Sri Lanka like Commercial Buildings, Hospitals, Shopping Malls, Govt. Offices, Airport, etc. Softlogic's footprint in Bangladesh along with Global Cynax, committed to provide international standard HVAC solutions in commercial & industrial sectors. We are jointly offering complete solution of central air conditioning for commercial spaces, office building, hotels, restaurants, convention hall, large residential house, etc. For industrial solution, we provide electric chiller, absorption chiller & ventilation system in all industries

OUR HVAC SERVICES

- Design & Estimation
- Supply & Installation Works including Ducting
- Project Implementation
- Commissioning & Testing
- Project Handover
- After Sales Service
- Spare Parts Supply.

CHILLER

Chiller is mainly used in larger capacity central air conditioning cases. Apart from that the application of chiller is also in the manufacturing industries for the process machineries & space to maintain a certain level of temperature and moisture. Category wise we can provide solution and supply chillers like electric & absorption both. Our experts offer support from primary level like design stage to project handover & After sales service. For project implementation, we strictly follow the compliances as we are ISO 9001-2015 certified.

VRF

We provide complete solution of VRF application from 40TR to 500TR as per client's requirement. If you want to do fully air-condition system your house or commercial building, we will do proper calculations and advise you in selecting the right capacity VRF for your space. VRF ideal for;

- ✓ Residential House
- ✓ Bank & Offices
- ✓ Clinic & Diagnostic Centre
- ✓ Restaurent
- ✓ Hotel & Resort
- ✓ Schools & Universities
